Bois Forte 2020 State of the Band

Not just for information but a place to connect with friends and family.

This year's State of the Band was held Thursday, January 23, 2020, at Fortune Bay Resort Casino.

Chairwoman Cathy Chavers, delivers the 2020 State of the Band Address.

The event was blessed with a full ballroom and over 150 views on the Tribe's YouTube Channel. They had 40 plus booths, which included information from Bois Forte's Health and Human Services, Housing, Human Resources, Urban Offices, Veteran Services, Education and Scholarships, and more. A remote viewing station was set up in the Eagle room of the Tribal Government building in Nett Lake. The

viewing station was available to those who have limited access to the internet and who were unable to attend the event at Fortune Bay.

The opening ceremony was led by Spiritual Advisor Gene Goodsky and 'Makade Bikone Binesi' Black Eagle drum - in care of Chaz Wagner. The Bois

Forte Honor Guard, guided by George Mihelich - brought in the colors and staffs.

Chairwoman Cathy Chavers, presentation covered a wide-range of topics and issues.

- Continue moving forward with guidance of past leaders, enhancing programs and services, being persistent, proactive, fiscally responsible, transparent, and accountable.

- Federal Government Shutdown - The Senior Management along with the Tribal Council have devised a standardized plan, set up in phases to

Brent Villebrun and Brady Boutto from Forestry, were the smiling friendly faces greeting everyone at registration. Brady is sporting this year's State of the Band T-shirt.

deal with future shutdowns.

- Implemented a financial emergency fund by utilizing the

Wayfair tax that was applied to the State of Minnesota in 2018.

Note from the Editor: I hope everyone had a wonderful holiday season! I send many apologies to you for the absence of the December 2019, January and February 2020 issues. For this issue of the Bois Forte News we are combining the months of December 2019 to March 2020.

State of the Band

continued from page 1.

- Financial Report: We organized a 15-year report covering monies received from the revenue of Fortune Bay and explaining how they were paid to the Tribal Government programs and services. These reports will be mailed to Band members who were unable to get their copy at the State of the Band. This revenue disbursement will be provided every year at the State of the Band financial presentations.

- Purchasing Power Initiative - We are collaborating with the Minnesota Area Indian Chamber of Commerce. The initiative will allow Tribes to have access to vendors to help reduce costs for both Fortune Bay and the Tribal Government.

- Tribal Code: The Bois Forte Tribal Code has been updated and posted for 30-day public comment.

- Code of Ethics: The Bois Forte Code of

Ethics is currently being updated. A committee of Band members have been working on the code since 2017. The updated code will be posted for Band member input.

- Cobell Land Buy Back Program: Bois Forte had approximately 53% Band member participation, returning over 2,800 acres of fractured land interests to Bois Forte.

- MCT Title Land Transfer: The 2018 Tribal Executive Committee passed a resolution to transfer "Title" back to the perspective Tribes. A Bill has been drafted and is now the responsibility of legislation of Congress to make the land transfer. If the bill were passed, Bois Forte would acquire approximately 32,800 acres of land.

- Nett River Dam: Our dam is in crisis and to ensure the life of the "Best Wild Rice in the World," it needs immediate attention. We are currently researching and

actively seeking funds for a feasibility study.

- Wild Rice: The rice crop was the best in years and the Tribe purchased 26,130 pounds of green rice. The State of Minnesota and the 11 Tribal Nations are working together, creating a Wild Rice Group that will monitor wild rice including the sulfate issue and how it affects wild rice.

- Fiber to the Home Project: This project is getting closer to the end, with an estimate of implementation within the next two years. The Bois Forte Tribal Government will solely own the Fiber to the Home network. It will allow Band members to determine its own telecommunication future:

- Provide high speed internet and voice capabilities
- Put our students on equal technological ground as those in larger cities and rural communities
- Provide economic opportunities to companies either

seeking to relocation or do business with the Reservation

- Enhance our medical facilities
- Allow Band members to telecommute to work
- Help reduce the telecommunication costs to our existing businesses.

- Strategic Plan: We are reviewing and revising the Tribes Strategic Plan, seeking funding for feasibility studies and economic development.

- Expanding H&HS: We are in the early planning stages of opening access to our H&HS for all employees of the Tribal Government along with the public. This will not affect Band member's access to services.

- Honor Guard: We are revitalizing our Honor Guard.

- Elderly Housing: We are in need and working on Elderly housing in Vermilion and Nett Lake. The current facilities were constructed in '70's, and our Elders

deserve better.

- DNR Building: The current facility is inadequate for staff and is a safety issue. We need new technology, a new water quality lab, plus a new storage facility for our wild rice.

- Johnson Lake Property: The plan for this property near Ely is for a Cultural Immersion site. We are currently implementing phases of funding applications for grants to transform and upgrade the location. Our first phase is to acquire funding for generators, road upgrades and more.

- Jail Agreement: The agreement between St. Louis County and the Bureau of Indian Affairs (BIA) to utilize Hibbing and Virginia jail facilities instead of driving over 5 hours to our current jail facility in Sherburne County is in the hands of the legal teams.

- MCT Constitutional Reform: We are continuing to support the MCT Constitutional Reform

process and our Bois Forte delegates.

-Northern Eagle Federal Credit Union

- We have partnered with the Embarrass Vermilion Federal Credit Union. This will increase access to their services.

-Minnesota Missing & Murdered Indigenous Task Force - We have taking action and are proud to be part of this task force that was signed into resolution by Governor Walz and Lt. Governor Flanagan.

- Youth, Elders, Language & Culture

- Continue to keep, support, and revitalize our people. The State of the Band 2020 wrapped up with a delicious dinner and closing ceremony. This year's and previous State of the Band events are available to watch at your convenience on the Tribes YouTube channel, search keyword "Bois Forte Tribal Government."

BOIS FORTE TRIBAL ELECTION 2020

Candidate for District I Gordy “Jonsey” Adams Jr.

Boozhoo my fellow Band members. My name is Gordy Adams Jr and most everyone knows me by my nickname “Jones.” I have lived and worked here in Nett Lake most of my life and am proud to have served the country in the Marine Corps. My wife and I have 4 grown children that brought us 4 beautiful grandchildren that we love and adore. I am very proud of my family as they love their Tribe and all it has to offer.

are mutual and are important to all of us.

It is of great importance that as an elected official, that these issues are addressed and resolved and not pushed to the side. There are numerous unresolved issues that need the attention and feedback for all members to fully understand ways of resolving these. There are too many unresolved issues to address in this article to mention. It is my hope to meet as many Band members as I can so that I can hear your concerns and to let you have confidence in my leadership and

speaking abilities to assure you that I can represent you effectively, efficiently and fairly.

I have learned a lot from my previous jobs as Business Development Coordinator, Executive Director, and District 1 Representative to mention just a few. Past leadership positions have taught me to be an effective leader by speaking, writing, listening, and resolving issues. This is the type of leadership that I will bring to you and to Bois Forte. I have testified numerous times before state and Indian Gaming, Education, and other issues. I have vast experiencing lobbying legislatures on numerous issues. I am not shy about telling off-reservation leadership our positions or opposition on matters effecting not only Bois Forte, but for all of Indian Country.

During my past tenure as a District Rep., I gained the

respect of many other Tribal leaders throughout the region as well as the nation. They had the confidence in my leadership that they elected me to the National Congress of American Indians as the Mid-west Regional Vice-Chairman. My leadership abilities also helped get me elected as Vice-Chairman to the National Indian Gaming Association. If these leaders had the confidence in my leadership capabilities, then my goal is to gain your respect and confidence in my leadership capabilities.

Our off-reservation Band members truly matter to me, as they feel the only time they get attention and promises is during election time. This has

to stop! There should be another Band office in Bemidji or Cass Lake. They should all be treated the same and represented. There are so many needs for all of our people that need to be addressed such as homelessness, addiction, housing and employment just to name a few. Our off reservation Band members deserve a true leader that will address these issues and not make promises that they cannot keep.

So in closing this article, I want you to know that I love and care for Bois Forte and our people, our culture, and the Lake. And especially the direction and future Bois Forte takes. We deserve an experienced elected leader that will bring forth true

representation and fairness to all and who will lead the Tribe in a positive direction. Please be aware that this Presidential election year could bring back Trump and his anti-Indian policies. We need a true leader that will fiercely defend our Sovereignty, Treaties, and rights as Anishinaabe people.

I respectfully ask for your vote and will be proud to serve as your District 1 Representative. I look forward to speaking with and hearing from you about what issues you want to see addressed. Feel free to contact me on my cell at 218-404-5834 or by email gordyadams57@gmail.com. Hope to see you on the campaign trail. Respectfully, Gordy (Jones) Adams Jr.

The ground is covered in snow, suggesting a winter setting.

BOIS FORTE TRIBAL ELECTION 2020

Candidate for District I Tara Geshick

Boozhoo Bois Forte Band Members!

My name is Tara Geshick and I'm running for the District I (Nett Lake) Representative for the Bois Forte Reservation. I am the daughter of Ronald "Moots" Geshick and Marilyn Geshick, a mom to three grown children Jordan, Marissa, Alexa (Goodsky) and one at home, my 11 year old Bryleigh (Drift).

I have an extremely strong work ethic and learned that from my mother in my early years and cut my teeth in the heavy workforce of the Twin Cities. Employers such as the U of M, Northern States Power (now Xcel Energy), and First Bank downtown Minneapolis, has given me invaluable experience in community, business and the trades. Since moving back home I've worked for Bois Forte Natural

Resources for the past 19 years, starting as a technician in Environmental and working my way up to director, the position that I hold today.

The reason I am running for a council seat is I see an opportunity to work directly with decision makers on:

- Housing issues- fix the dilapidated structure, fill the empty homes, work with funding agencies to adjust requirements for our demographics here, and abatement or replacement of the meth tainted homes. People need

safe and affordable housing to come home to.

- Drug epidemic- healthier and faster access to rehabilitation care and a stronger enforcement element to combat it. We've all had someone close to us who is suffering drug or alcohol addiction, we need to help heal our family and neighbors.

- Establish a stronger connection- reacquaint off reservation band members with their heritage, hunting & gathering rights, and services offered right here at home; reinvigorate the elders guidance with community- we need to slow down enough to listen to the lesson- they've been ignored too long and its affecting us.

- Leadership influences us all- leading change begins with the Tribal Council: a time study to

provide effective & efficient time management, monthly report requirement, and training in strong communication skills as to focus, implement and complete projects, and relay their message clearly to you, the band members.

With my experience in applying real change and improvement to people and programs, I have a goal to better Bois Forte in every avenue. I am motivated, a researcher by nature, a doer by practice and will forever be a life long learner! No one does this work alone, so I need you to help me get the best for Bois Forte! I wish the other candidates good luck and I look forward to hearing from you on the campaign trail. Please vote for Tara Geshick in the primary on March 31, 2020, you will see true progress! Miigwech

Bois Forte Dot Com Receiving a Makeover

Early in January 2019, the Tribal Council began the process of updating and restructuring the Tribe's website www.boisforte.com. The current website was originally launched in 2009, developed by FirstScribe – a Twin Cities based company.

This time around, the Council opted to utilize a local business, WA Fisher for the development and design of the new website.

In the development of the new website, one major change will be the structure. It will be device responsive so no matter what device you use, it will display properly for you to view. It will have improved navigation which will be 'Services' orientated - making it easier to find information. The new design will allow updates to be made on a timelier basis and will offer searchable archives. Job applicants will be able to apply and submit all the forms required to Human Resources online. A store will be open as well, allowing easier access to Nett Lake's Wild Rice with options to expand to other products.

A launch date has not been set yet, other than a general time frame of early 2020.

Candidate for Chairperson Miranda Villebrun Lilya

Hello Bois Forte Band Members:

My name is Miranda Villebrun Lilya and I am a candidate for Tribal Chair for the Bois Forte Band of Chippewa in the upcoming election on June 9, 2020. I am a lifelong resident of the Bois Forte Reservation. My husband Tim and I are currently raising our three children on the Indian Point sector of Bois Forte.

medical, pharmacy, etc. I will work hard developing and improving public services by focusing on new ways to serve the community.

- The concerns from Band Members are the base of my platform and have driven my decision to run. Primarily, are the services to the Band Members in which there are many missed opportunities and lack of services for our people. For instance, Tribal Government Offices will close, which always leaves folks without many services including, but not limited to,

- As with every organization, communication is paramount in making progress. In the example above, when offices have been closed, the communication delivered to Band Members is poor.
- Another issue is our current financial status and the limited funds available. I will work hard seeking ways to

save money and cut frivolous spending, and leading efforts to actively seek funding through grants and initiatives that will enhance the services provided to our Band Members.

- Another matter of concern are the decisions surrounding employment practices at both the Tribal Government and Fortune Bay Resort Casino. Band Members are applying for employment with the Band but Indian Preference is not consistently applied. Our Band must use our sovereign inherent rights by following Indian Preference. Our people deserve to be represented by leaders that will provide equal employment opportunities. I will support our Band Members seeking employment and other employment rights.

Please follow me on the various social media: Facebook Page- Miranda Villebrun Lilya; Instagram- mirandavillebrunlilya; Twitter- @VillebrunLilya; and Snapchat- Miranda VillebrunLilya. Feel free to chat with me when you see me out and about. You

Please keep a look out on dates for meet and greets in the Twin Cities, Bemidji, Duluth, Virginia and Vermilion areas. I appreciate the many visits and calls, and

I am excited about meeting with you-the Band Members! I am respectfully asking for your VOTE on June 9, 2020. VOTE- Miranda Villebrun Lilya!

Bias Buster, Christina Woods Makes the 2019 50 Over 50 List

In earlier this October, Bois Forte Band member Christina Woods was recognized as one of the most inspiring and accomplished leaders in Minnesota making the 2019 50 Over 50 list. The 50 Over 50 list celebrates and recognizes Minnesotans over the age of 50 who have made significant contributions and achievements in their communities.

Christina Woods Bias Buster

A member of the Bois Forte Band of Chippewa Nation, 51-year-old Christina Woods of Duluth is executive director of the Duluth Art Institute, where she uses her leadership skills to promote inclusive community participation, especially in the area of underrepresented cultural narratives. Under her leadership, the Institute has celebrated the area's finest artists while simultaneously challenging viewers to learn more about missing cultural narratives not typically available in gallery spaces. But the Institute isn't the only place Christina is making a difference. She has created symposiums to help hundreds of people in Northeast Minnesota unpack social identity barriers that lead to unconscious biases. Christina also advocates for raising awareness of sex trafficking, an issue that exponentially affects Native women and girls. She has served on several nonprofit boards and helped the League of Women Voters, the Duluth Police Department and other organizations reduce implicit bias and become more inclusive. <https://www.pollenmidwest.org/stories/2019-50-over-50/>

I'm announcing Candidacy for District

I Representative for the Bois Forte Reservation in this year's election 2020. I decided to run, because I would like to see changes in how our tribal government and businesses operate. Through government, I believe I can make necessary changes to better the future of the band. I would also like to see cultural traditions brought back to politics and how we run our businesses. Right now, there are many issues that threaten the tribe including: our financial situation, the loss of language and culture to name a couple. I will work diligently to

find solutions on revitalizing both! I would like to share a little on my background. I've resided in Nett Lake for most of my life. I've been employed by the Bois Forte Band my entire career - starting at Fortune Bay Casino, where I worked my way up the ladder into a supervisory position of Pitboss for 8 years. During my time at Fortune Bay, I learned all aspects of Casino Gaming. I also have experience in Construction and Forestry trades. I currently work as an Event Coordinator for KBFT Tribal Radio - I love my job! She furthered her education by attending Bemidji State University. She became a seamstress and tailor at 18; working for Liberty Garments in Minneapolis. Lorraine lived and worked in Georgia for a short time before returning to Minnesota. Lorraine loved to boat, both in Minnesota and Georgia. She also loved to cook large meals for her family when they would visit. Lorraine loved to watch the birds and placed several bird feeders in her yard so that she could enjoy them all year long. Lorraine also enjoyed growing many types of flowers.

Obituary

Cynthia Eileen (Schuster) Aune, 62

Cynthia Eileen (Schuster) Aune, 62 of Cook, MN passed away on Monday, January 27, 2020. Cynthia was born to Henry and Marion (Lumbar) Schuster on August 22, 1957 in Cook, MN.

Cynthia attended school in Orr, and then Loman High School where she graduated in 1975. Soon after graduating, she met and married William Steinbach; they were blessed with two sons, Richard and James, and the family lived in International Falls for a time before Cynthia's path led her in a different direction. Cynthia attended college in Hibbing and earned her Certified Nursing Assistant certificate; working for several nursing homes in the Hibbing area. She also worked at the Vermilion Hotel in Cook, MN and for Bois Forte as an Indian Child Welfare advocate.

Cynthia liked to stay busy in her free time; she loved going out to the "shack on the farm" during hunting season. She was also an avid, and successful, fisherwoman. She was very patient while fishing and would often out fish her family; her family teasingly nicknamed

her "Butch Furtman" after a famous angler. Cynthia also enjoyed her day trips to the Casino.

Cynthia was an easygoing soul who loved to joke around and have fun. She had a kind heart and was a very giving person; even though she did not have much, she would do anything she could to help someone in need. She loved her family with all of her heart; a family that included her dog Daisy whom she called "the love of her life".

Cynthia was preceded in death by her parents; her beloved son Richard Steinbach, and her dog Daisy.

She is survived by her son James Steinbach; brother Bruce Schuster; sister Roxanne Weatherton; granddaughters: Cassandra and Madison; and a great grandson, Jaxson.

A Memorial Service will be held on Friday, February 7, 2020 at 11:00 AM at Mlaker Funeral Home, Cook, MN. Visitation will be held one hour prior to the service. To leave an online condolence visit www.mlakerfuneralhome.com
