

# Bois Forte News

## Find your new career at Fortune Bay or with Bois Forte!

Are you looking for that perfect summer job or perhaps even a career change?

Then it's time to reach check out the Bois Forte website ([www.boisforte.com](http://www.boisforte.com)) or Fortune Bay Resort Casino's website ([www.fortunebay.com](http://www.fortunebay.com)) as there are many jobs available that cover a wide array of fields.

To help fill positions, Fortune Bay's management team held a Job Fair in April and another one is slated for Saturday, May 1. The first one resulted in 11 new hires.

At the first Job Fair, Fortune Bay staff members, along with some BFDC businesses, had set up tables throughout the expansive pre-function area near The Woodlands Ballroom. Each person manning a

**READY TO GO TO WORK!**—Fortune Bay's Melissa Abts, left, and Charlie Riihiluoma, center, talk to Xavier Wakemup, right, about available jobs in the Maintenance Department during a recent Job Fair.

table had information about current openings and job applications within their departments. HR had computers available and HR staff was ready to assist people with the online application process.

“So far we’ve had a handful of good, quality candidates stop by,” said Maintenance Administrative Assistant Melissa Abts as she finished talking with potential hire Xavier Wakemup. “It has been an all-around great experience with the Job Fair.”

Currently, Fortune Bay, Bois Forte Development Corporation, and the Reservation Tribal Government (RTG) have nearly four dozen positions available.

Fortune Bay or BFDC positions include Grill Cook, Grill Cashier, Maintenance Technician I & III; Y-Store Cashier; Room Attendant; Nett Lake C-Store Cashier-PT; Bar Beverage Server- PT/FT; Security Officer; Promotions Team Member; Sparkle Squad; Nett Lake C-Store Manager; Director of Hospitality; Resort Sales Manager; Gift Shop Cashier; Janitorial Technician; Steakhouse Server; Restaurant Line Cook; Restaurant Host/Hostess and Resort Night Auditor.

“We would have liked to see more activity,” said Fortune Bay’s Director of Human Resources Beth Adams after the first Job Fair, “but we also understand these aren’t normal times. It’s still pretty early though and I am confident we’ll get these openings filled.”

Bois Forte openings include: Bus Driver, Laboratory Technician, Dental Hygienist, Pharmacy Technician, Dental Assistant, Head Start Early Head Start Teacher Aide Substitute, Clinic Administrator, Health and Human Services Director, and an On-Call Dental Assistant.

“We really need to fill jobs and encourage Bois Forte band members and non-band members to reach out to our HR Department or Fortune Bay’s HR Department to inquire about these openings,” said Bois Forte Tribal Chair Cathy Chavers. “Fortune Bay is a great place to work as are our BFDC businesses and the RTG.”

In an effort to keep the momentum of the recent Job Fair going, another Job Fair is scheduled for Saturday, May 1 in The Woodlands Ballroom.

“I like the format,” said Abts of the Job Fair. “We get to ask them questions and they can ask us specific questions about the jobs we have available.”

Abts added that the format gives them a way to get familiar with potential new hires as opposed to looking at a resume and at the same time, it gives attendees a chance to meet people they might end up working with.

“It’s a great way to fill our available jobs,” said Abts, who added that maintenance has four current openings.

If you are in the market for a new job, make sure to keep Fortune Bay, Bois Forte Business Development Corporation, and the RTG in mind as both entities offer a great work environment with flexible schedules, great benefits and so much more!

“We’re coming into our busy summer season and need to get these positions filled,” said Adams. “I think if we collaborate with Bois Forte’s HR team that we’ll be successful.”

Please go to [www.boisforte.com](http://www.boisforte.com) or [www.fortunebay.com](http://www.fortunebay.com) to see the latest job listings — thank you!

for the June newspaper  
is May 20, thank you!**

# Local Public Health teams up for Gratitude Challenge

The Arrowhead Regional Public Health and Tribal Health Departments are challenging community members to share what they are grateful for during the month of May, which is National Mental Health Month.

People are encouraged to share what they are grateful for on social media with the #GratitudeAttitudeMN. Schools and businesses are also urged to participate with gratitude challenges for their students or staff.

“Showing gratitude and being thankful helps improve your physical and mental health by improving your mood, as we express appreciation for the positive things we have decreased depression and stress,” said Crissy I-Wade, Mental Health Supervisor/Therapist for Mille Lacs Band of Ojibwe. “Gratitude helps improve your outlook on life. Being grateful helps to improve your relationships,

as you and the people around you will feel more loved, cared about, happier, and appreciative that they have you in their life. Practice gratitude and show appreciation every day to improve your mental health, physical health, and relationships and together our community will grow.”

Mental well-being has been a top priority throughout the pandemic. To highlight available resources and increase well-being in the region, the group chose to emphasize the practice of gratitude.

According to Dr. Laurie Santos, a Yale psychology professor, up to 40 percent of our happiness is under our conscious control. Regular gratitude practice is one of the tools Dr. Santos teaches to increase happiness in her course, The Science of Well-Being.

Research over the past 15 years shows that gratitude has an incredible impact on health. The benefits for those that practice gratitude include increasing happiness, reducing anxiety and depression, strengthening the immune system, and sleeping better, among a host of other advantages.

“As difficult as this pandemic has been on our community members, for so many reasons, we truly do have so much to be grateful for,” said Kelly Chandler, Itasca County Public Health Division Manager. “We have vaccines less than a year into the pandemic, our students have been able to participate in activities as well as have in person learning. Businesses have been able to reopen with safety measures in place. Intentionally giving thought to what we are grateful for improves our physical and mental health, our relationships, enhances empathy and self-esteem. As we move into Mental Health Awareness Month, we encourage our communities to give thought and intention to what they are grateful for and what they are looking forward to post-pandemic. Join us in the #GratitudeAttitudeMN challenge on social media.”

Gratitude is a powerful practice, but many individuals in our community may need more mental health assistance. Text HOME to [741741](tel:741741) to

## FCC announces start date of emergency broadband benefit program; reimbursement would be \$75 per month for those living on tribal lands

FCC Acting Chairwoman Jessica Rosenworcel announced the start date of the Emergency Broadband Benefit Program. As of May 12, 2021, eligible households will be able to enroll in the Program to receive a monthly discount off the cost of broadband service from an approved provider. Eligible households can enroll through an approved provider or by visiting <https://getemergencybroadband.org>.

“Families in every corner of the country have been struggling to get online throughout this pandemic. For those families, we now say help is around the corner. In less than two weeks, we will have a new way for disconnected Americans to access the internet to carry out their day- to-day life, so they can reach the virtual classroom, take advantage of telehealth, and seek new employment opportunities. I’m proud of the work we’ve done as an agency to get this program off the ground in record time,” said Rosenworcel.

Between now and the start date, the FCC encourages partners and participating providers to conduct outreach efforts so that every eligible household knows about the program and how to sign up. The Commission will be providing a variety of materials for partners to use in

their efforts to increase awareness about the program. During this time, the FCC and its program administrator, USAC, will continue to ensure that appropriate privacy and security safeguards are in place. The FCC also urges providers to continue

The Emergency Broadband Benefit Program will provide eligible households with discounts of up to \$50 a month for broadband service, and up to \$75 a month if the household is on Tribal lands. It also will provide a one-time discount of up to \$100 on a computer or tablet for eligible households.

Under the law, the Emergency Broadband Benefit Program is open to households that participate in an existing low-income or pandemic relief program offered by a broadband provider; Lifeline subscribers, including those that are on Medicaid or accept SNAP benefits;

households with kids receiving free and reduced-price lunch or school breakfast; Pell grant recipients; and those who have lost jobs and seen their income reduced in the last year.

# Boshey gets promoted to Table Games Manager

Fortune Bay Resort Casino is pleased to announce the hiring of its new Tables Game Manager Cheyenne Boshey!

Boshey, who is the son of Billie Deegan and Steve Boshey, grew up in Lakeland, which is about five miles south of Biwabik. He graduated from Mesabi East High School in Aurora. After high school, he took a semester at Itasca Community College and then transferred to Mesabi Range.

“While I was in school at Mesabi, I took the blackjack training here at Fortune Bay and I’ve basically been here since,” said Boshey, a Bois Forte Band Member, who has two sons, Mason, 14, and Hayden, 11. “I’ve had a few jobs off and on (such as being a roofer, bartender, and working at the Boys and Girls Club), but I’ve mainly been here my entire adult life.”

He said he started in table games as a dealer and then was made a full-time supervisor shortly thereafter. He has been a casino host and a slot tech as

READY TO TAKE OVER! — Bois Forte Band Member Cheyenne Boshey was recently promoted to Table Games Manager at Fortune Bay Resort Casino. Congratulations, Cheyenne on this well-deserved promotion!

well. Boshey eventually came back to the table games department and then took over the role of poker room supervisor.

“I am honestly grateful for this promotion,” said Boshey, who has four siblings and has been in a serious relationship with his girlfriend, Maija, for the past three and a half years. “I have interviewed for this job multiple times in the past and looking back on it now, I know I wasn’t completely ready.”

However, given his wealth of knowledge in table games, he knew the timing was right to take over for Dan Padgett, who recently retired.

Boshey said he already has a few goals in mind on how to improve the operations of Fortune Bay’s table games. He is thankful for the knowledge he gleaned by working closely with dealers in Fortune Bay’s Poker Room. That includes the willingness to make sacrifices for the team and for working together as a team.

“That’s the main mentality that I want to bring to the whole table games department,” said Boshey. “I’ve also been lucky enough to have worked under a bunch of smart and talented managers who have passed down a lot of knowledge to me.”

And Boshey wants to be a manager who pays it forward for his team. He said he can do that by passing along the knowledge he has gleaned in his time at Fortune Bay.

“I would love to be a lifetime employee here, but if by chance I were to leave, I would like the person

who would take this position to be someone from this department,” said Boshey.

While he’ll be busy learning the nuances of his new job, Boshey doesn’t want things to get stagnant under his watch. Instead, he wants to modernize the gaming experience here.

“There are so many games out there and always new games coming out,” explained Boshey. “We might get these “in-between casino” customers to become regulars here by offering them something different than just the same old blackjack. And that’s what I’m hoping we can do here, soon.”

But the main thing that Boshey wants to instill in his team is to provide guests with a memorable experience that keeps them coming back.

“I just look forward to working closely with everyone in my department to build up that morale and build up our team skills to make this department great and fun!” said Boshey.

## Calling all 2021 graduates!

We would love to share your milestone in the June issue. It is free to submit a graduation announcement. Graduates of all ages are welcome. You can email a photo with a short description of your achievement to [news@boisforte-nsn.gov](mailto:news@boisforte-nsn.gov) The deadline for submission is May 20<sup>th</sup> by noon. Thank you and congratulations!

## Latest COVID-19 update from Bois Forte Health Services

On April 29, 2021, Bois Forte Health Services confirmed that there were NO new cases of COVID-19 on the Bois Forte Reservation.

Bois Forte Reservation currently has 6 active positive cases of COVID-19.

Bois Forte has had a total of 70 active and recovered positive cases of COVID-19, 30 in Nett Lake and 40 in Vermilion.

Recovered, means they are no longer contagious and have been released from isolation.

Rest assured that Bois Forte Health is doing everything in its power to keep the Reservation community safe while also providing support for those who have tested positive for COVID-19. Bois Forte Health will maintain regular contact with the isolated individuals and will monitor their compliance with isolation instructions. Bois Forte Health is engaged in contact tracing and will follow up with those suspected of having recent contact with the individuals who tested positive. Finally, the Band is coordinating with the Minnesota Department of Health regarding positive cases on-Reservation to ensure a robust and thorough public health response.

If you have any questions regarding the Band's public

health efforts, please contact the Band's Community Health Nurse, Teri Morrison, at 218-750-2227. To the extent permissible under the law, Bois Forte Health will keep the public apprised of any developments regarding positive cases. Stay safe and be well.

# Bois Forte Band member Nancy Stanaway passes away

It is with extreme sadness that our family announces the December 6th, 2020 passing of our beautiful and beloved Mother, Nancy G. Stanaway.

Nancy was born on January 14, 1941, in Tower, MN to Rose (Boshey) and Joe Columbus.

Her childhood memories were of times spent with her siblings and cousins.

In 1958 Nancy married Richard Stanaway and raised 7 children in the Virginia area. Later, Nancy obtained a degree from Globe College of Business. She worked at Juel Fairbanks, a Native American social agency for 20 years. After retirement, her greatest joy was time spent with family, friends, and especially her grandchildren. Nancy was proud to be a respected elder of the Bois Forte Band of Chippewa.

During her life, Nancy grieved the loss of her parents, her siblings Joe Jr, Doris, Russel, Shirley, Leonard, Joanne, Charles (Chuckie), and Christine (Tina); and beloved son Michael J Stanaway. Nancy also grieved the passing of former husband Richie, two sons-in-law, Harlan S and Gene M, and many others dear to her.

She is survived by her loving and almost perfect children: Marlin "Poncho" (Cheyenne D.) Stanaway; Michele (Mark R.) Maki; Joseph (Laura B.) Stanaway; Sheila "Sissy" (John) Cashman; Gay

Stanaway; and Charlene (Bill) Evans; by her beloved and definitely perfect grandchildren: Derek (Sonya), Jared, Jason, Josef (Mesa), and Christian; Christopher, Amanda; Chloe, Jenna; Zachary, Jeremy, Christina, and Vince; and her wonderful great grandchildren: Riley, Addison, Derek Jr, and Thomas.

Due to the Coronavirus restrictions on gathering, an outdoor family

Celebration of Nancy's Life will be held in the warm days of spring/ summer.
