TRIBAL GOVERNMENT

AMENDMENT TO BOIS FORTE RESERVATION TRIBAL COUNCIL BYLAWS

POSTED 05/28/2025

Purpose & Scope of Amendment

The Bois Forte Reservation Tribal Council ("RTC") is considering an amendment to the Bois Forte Bylaws that would change the requirement for the Chairperson to report on the State of the Band in January of each year so that the report would occur in March instead. The RTC believes that March is a better time for the State of the Band to occur because Band Members expressed a preference for March.
