

MARCY DRIFT

06-02-1940 TO 09-04-2015

Our dear Mama, you left us nearly 3 years ago. Not a day passes without you in our thoughts and dreams. The heartache never ends. The void never heals. We know you and Brother Bob are together and with us each day. Please hug him and all our other loved ones we have lost. We will all reunite one day.

All our love,

Theda, Darwin, Mick, Gena, Nick, Rikki, Samantha, Tyler, Trevor, and Marlene.

And yes... a smooch from Clay Mathews for you.
