This lease Application is effective for two (2) years from the date it is received in the leasing office. The Applicant must complete a new application for an additional two years upon expiration. There is a Solid Waste Fee for each lot and the amount due will depend upon the use of the lot. Where applicable, Lessee will hook up to the community water and septic lines and a hook up fee will be charged. The lessee will have two (2) years to construct a cabin or house on the lot or the lease may be subject to termination.
