POSITION PURPOSE

The Dental Hygienist provides comprehensive oral health education and dental hygiene treatment to diverse patient groups with assistance from other staff members of the Dental clinic. The Dental Hygienist will promote dental health by completing dental prophylaxis; providing oral cancer screening, and radiographic studies. Chart conditions of decay and disease and also perform procedures in compliance with the State of Minnesota.

ESSENTIAL DUTIES, FUNCTIONS, & RESPONSIBILITIES

1. Completes preliminary examinations on new dental service patients and reviews patient's medical and dental history; examines the teeth and periodontium for evidence of plaque and periodontal disease and charts the findings including plaque index, bleeding scores, microscopic microbial morphology, pocket depths, CPITN scores, tooth mobility, crepitus, etc.; inspects the mouth and throat for evidence of diseases such as oral cancer; takes, develops and interprets routine X-Rays to identify tooth structures, calculus, and abnormalities such as cavities, traumatic occlusion, and report these to the dentist along with any other suspicious lesions.
2. Prepares dental hygiene treatment plans for patients, including assessment of the problem, type of oral hygiene care required, and the sequence of appointments needed to complete treatment. Maintains recall system for careful follow-up of patients that need continued care or evaluation. Greet, escort, and seat patients.

Position Description

3. Performs a complete oral prophylaxis on ambulatory and non-ambulatory patients. Administers local anesthesia under the indirect supervision of the dentist. Performs deep sub gingival scaling, root planing, and gingival curettage. Polishes the teeth and applies fluoride for hypersensitivity and caries prevention. Provides sub gingival irrigation with chemotherapeutic agents. Gives home care instructions to patients after curettage.
4. Instructs patients at chair side in oral hygiene, brushing and flossing techniques, and periodontal aids which increase the amount of stimulation to the periodontium. Plans and adapts instructions in home care techniques, tailoring them to the oral hygiene needs and oral problems of individual patients. Explains to patients the causes of periodontal disease and tooth decay, and the importance of diet as it relates to oral and systemic health.
5. Perform orthodontic treatments as directed by the Dentist.
6. Review medical history and check if patient took premedication when indicated.
7. Record preliminary charting of the oral cavity and surrounding structures to include existing restorations, missing teeth, and periodontal charting of pocket depths, mobility and furcation.
8. Apply medicaments as prescribed by the Dentist.
9. Apply pit and fissure sealants as directed by the dentist.
10. Administer local anesthetic for selected cases.
11. Complete prophylaxis to include scaling, root planing, soft tissue curettage and mechanical polishing to crowns.
12. Provide ultrasonic scaling.
13. Remove excess cement from inlays, crowns, bridges and orthodontic appliances with hand instruments.
14. Remove sutures.
15. Remove marginal overhangs.
16. Take and pour alginate impressions for study casts and trim models.
17. Provide topical fluoride treatments.
18. Sharpen instruments.
19. Complete patient charting of services performed.
20. Inform dentist of any special treatment considerations.
21. Sterilize, disinfect dental instruments and equipment according to I H S protocol.
22. Follow occupational safety guidelines for dental personnel.
23. Update list of supplies and equipment needed on supply list. Keep current inventory stocked.
24. Clean and organize trays and tubs and operatory drawers in hygiene room.
25. Educate patients on oral health including plaque control instruction, oral appliance care, fluorides, nutrition and diet counseling, and preventative dentistry as designated by the dentist.
26. Perform oral health screenings for community programs as requested and approved by the Dentist.
27. Assist in developing, implementing and monitoring community dental prevention programs including National Children's Dental Health Month.
28. Assist the receptionist with scheduling patient appointments and other duties as requested.
29. Attend staff meetings and continuing education courses as approved by the dentist.
30. Abide by the policies set forth by the Bois Forte Tribal Government and Bois Forte Health and Human Services.
31. Maintain patient confidence and protect operations by keeping information confidential.
32. Maintain safe and clean working environment by complying with procedures, rules, and regulations.
33. Protect patients and employees by adhering to infection control policies and protocols.
34. Perform additional duties as assigned.

- Prior experience working with Indian Health Services (IHS), a tribe, or tribal organization.

WORK ENVIRONMENT

- Work environment:** The work environment characteristics described here are representative to those an employee encounters while performing the primary functions of this job. Normal office conditions exist, and the noise level in the work environment can vary from low to moderate. Limited overnight travel may be required from time to time. This position may be exposed to certain health risks that are inherent when working within a health center facility, such as potential exposure to hazardous chemicals, sharps and infectious body fluids.
- Physical demands:** The physical demands described here are representative of those that must be met by an employee to successfully perform the primary functions of this job. While performing the duties of this job, the employee may be required to frequently stand, walk, sit, bend, twist, talk, hear and perform repetitive motions. There may be prolonged periods of sitting, keyboarding, reading, as well as driving or riding in transport vehicles. The employee must occasionally lift and/or move up to 50 pounds. Specific vision abilities required by this job include reading, distance, computer, and color vision. Talking and hearing are essential to communicate with the community, visitors, employees, and vendors.
- Mental demands:** There are a number of deadlines associated with this position. The employee must be able to handle frequent interruptions and must also multi-task and interact with a wider variety of people on various and, at times, complicated issues.

TRIBAL AND INDIAN PREFERENCE

The Bois Forte Band of Chippewa has implemented a Tribal and Indian Preference in Employment Policy. Pursuant to this Policy, applicants who possess the knowledge, skills, and abilities required by this position, and who are enrolled members of the Bois Forte Band of Chippewa Tribe will be given primary preference in hiring and employment for this position. Members of other federally-recognized Indian tribes will be given secondary preference for hiring and employment after providing proof of tribal membership. Tribal and Indian preference is integrated into the interview and scoring process for candidates for job positions.

OTHER

- Confidentiality:** All employees must uphold all principles of confidentiality to the fullest extent. This position may have access to sensitive information and a breach of these principles will be grounds for immediate termination.
- Background Investigation:** This position may be subject to a criminal history background check, a suitability background check and/or a Fair Credit Reporting Act (FCRA) check. In addition, some positions are subject to a 101-630 background check in an effort to ensure compliance with Public Law 101-630 "Indian Child Protection and Family Violence Prevention Act." Candidates must be able to successfully pass all required background checks to qualify for this position.
- Drug Screening:** All applicants must successfully pass a pre-employment drug screening prior to beginning employment and will be subject to random drug testing.
- Vaccine Requirement:** The Bois Forte RTC adopted the COVID-19 Vaccination Requirement (Resolution No. 61-2022) which provides that COVID-19 vaccination is required for all employees of the Bois Forte Tribal Government

DENTAL HYGIENIST

Position Description

and Band-owned businesses. That Requirement also applies to newly hired employees who must by their first date of employment either (1) present proof of receiving all COVID-19 vaccinations for which they are eligible under CDC guidance or (2) be approved for a medical or religious exemption from the Vaccine Requirement. If the employee only presents proof of the first dose of a two-dose COVID-19 vaccine by the first date of employment, the employee must further present proof of a second dose within 30 days of the date of the employee's first dose and proof of a booster vaccination within one month of eligibility. If the employee only presents proof of a single-dose COVID-19 vaccination or both doses of a two-dose COVID-19 vaccination by the first date of employment, the employee must further present proof of a booster vaccination within one month of eligibility.

PRE-EMPLOYMENT DRUG TESTING APPLIES. INDIAN PREFERENCE WILL APPLY. UPON PRESENTATION OF DD-214 WHICH REFLECTS HONORABLE DISCHARGE, APPLICANTS WILL RECEIVE VETERAN'S PREFERENCE POINTS. Please visit our website at www.boisforte.com to download an application. Applications are accepted via: Fax, Email, U.S. Mail, and In Person. Submit applications to: Human Resources Specialist 5344 Lakeshore Drive, Nett Lake, MN 55772, Fax: 218-757-3312, hrgeneralist@boisforte-nsn.gov Applications received after the closing date will not be accepted.
