POSITION PURPOSE

The Substance Use Disorder Supervisor will support and supervise staff of the Substance Use Disorder Program. Will develop and implement programs based on client needs. Be familiar with the fields' concepts, practices, and procedures. Follow federal, state and local regulations and various community programs to coordinate essential program functions. The Substance Use Disorder Supervisor will also be responsible for maintaining a supportive, therapeutic environment within the client group setting, providing individual and/or group sessions as needed, monitoring the client’s progress, crisis intervention, direct services, follow-up and supporting the treatment program and plan in the recovery of substance use disorders.

ESSENTIAL DUTIES, FUNCTIONS, & RESPONSIBILITIES

1. Provides supervision and oversight, approves leave, establishes schedules, reassignments, status changes, performance evaluations, coaching, disciplining, onboarding, and training staff.
2. Ensures all grants, contractual agreements, certifications and reporting requirements/paperwork, and renewals are properly maintained, including budget management/advisement, in compliance with appropriate regulations and grant

Position Description

requirements.

3. Responsible for public relations of all substance use disorder programs.
4. Serve as liaison for state, federal and private agencies.
5. Oversee the funding reports to ensure programs expend funds as defined in grants.
6. Maintain regular communication with community partners and funders.
7. Provide individual support and assistance to staff. This includes but is not limited to helping solve problems, answering questions, offering suggestions or solutions to problems, and assisting in difficult situations.
8. Maintain required reports and statistics; prepare reports on a monthly and annual basis as required.
9. Oversees day to day operations of the substance use disorder programs.
10. Provide crisis intervention as needed.
11. Work with Health & Human Services staff to ensure appropriate service coordination for SUD clients.
12. Ensure that all documentation is timely and accurate.
13. Encourage supportive activities that help clients develop the abilities needed to utilize the resources of the local community as well as the larger community, including family, friends, job, and school.
14. Provide Substance Use treatment plans, treatment reviews of clients, and substituting for other Substance Use Counselors as needed.
15. Perform Comprehensive Assessments and intake documentation as needed.
16. Provide individual and group counseling to substance use clients and coordinates services with the Substance Use team for co-occurring disorder clients.
17. Facilitate change in clients in an Outpatient setting with regards to their substance use disorder by providing individual counseling sessions, family counseling, and family/community therapeutic activities.
18. Implement and coordinate substance use treatment and counseling programs to meet identified needs for specific patient populations, including primary and secondary needs.
19. Participate in weekly clinical and individual supervision meetings with Supervisor and other Substance Use Counselor(s), completing weekly case reviews with the team; takes part in training and completes monthly reports.
20. Keep abreast of current developments in the field of substance use treatment and share that knowledge with the treatment team.
21. Maintain client records, clinical documentation, and Medicaid standards, submit client billing information in a timely manner, and maintain a comprehensive review of client treatment process.
22. Maintain the accuracy of program specific databases, EPIC, Medicaid Management Information System (MMIS) Drug and Alcohol Abuse Normative Evaluation System (DAANES), and MN-ITS.
23. Provide outpatient substance use services and develops individualized aftercare plans for clients completing treatment, including meetings, group settings and aftercare counseling sessions.
24. Facilitate groups, individual, and aides' clients in building their own support networks.
25. Network with community service providers and coordinates services for clients.
26. Abide by Federal Laws and the Bois Forte Substance Use Program's policies regarding confidentiality.
27. Actively seek strategies to fund and expand programs.
28. Perform other duties as deemed necessary to comply with grant goals and objectives.
29. Administer contracts to assure compliance.
30. As an employee of the Bois Forte Reservation, will follow the Bois Forte Procurement Policy and any other applicable procurement requirements when obtaining goods and/or services for the Bois Forte Band of Chippewa.
31. Other job-related duties as assigned by supervisor.

WORK ENVIRONMENT

- Work environment: The work environment characteristics described here are representative to those an employee encounters while performing the primary functions of this job. Normal office conditions exist, and the noise level in the work environment can vary from low to moderate. Limited overnight travel may be required from time to time.
- Physical demands: The physical demands described here are representative of those that must be met by an employee to successfully perform the primary functions of this job. While performing the duties of this job, the employee may be required to frequently stand, walk, sit, bend, twist, talk, hear and perform repetitive motions. There may be prolonged periods of sitting, keyboarding, reading, as well as driving or riding in transport vehicles. The employee must occasionally lift and/or move up to 40 pounds. Specific vision abilities required by this job include reading, distance, computer, and color vision. Talking and hearing are essential to communicate with the community, visitors, employees, and vendors.
- Mental demands: There are a number of deadlines associated with this position. The employee must be able to handle frequent interruptions and must also multi-task and interact with a wider variety of people on various and, at times, complicated issues.

TRIBAL AND INDIAN PREFERENCE

The Bois Forte Band of Chippewa has implemented a Tribal and Indian Preference in Employment Policy. Pursuant to this Policy, applicants who possess the knowledge, skills, and abilities required by this position, and who are enrolled members of the Bois Forte Band of Chippewa Tribe will be given primary preference in hiring and employment for this position. Members of other federally recognized Indian tribes will be given secondary preference for hiring and employment after providing proof of tribal membership. Tribal and Indian preference is integrated into the interview and scoring process for candidates for job positions.

OTHER

- Confidentiality: All employees must uphold all principles of confidentiality to the fullest extent. This position may have access to sensitive information and a breach of these principles will be grounds for immediate termination.
- Background Investigation: This position may be subject to a criminal history background check, a suitability background check and/or a Fair Credit Reporting Act (FCRA) check. In addition, some positions are subject to a 101-630 background check in an effort to ensure compliance with Public Law 101-630 "Indian Child Protection
