PERFORMANCE EXPECTATIONS

In performance of their respective tasks and duties all employees of Bois Forte Band of Chippewa are expected to conform to the following:

- Fully uphold all principles of confidentiality.
- Adhere to all professional and ethical behavior standards of the tribal government (may also be referred to as “Band”).
- Interact in an honest, trustworthy, and respectful manner with employees, community, visitors, and vendors.
- Comply with Bois Forte Band of Chippewa policies and procedures.
- Display respect and understanding of Bois Forte Band of Chippewa traditions and values.

POSITION PURPOSE

Under minimal supervision, the Compliance Auditor I is responsible for minimizing risk and assisting with regulatory, compliance, and data reporting activities and risk and quality management. The Compliance Auditor I position I is responsible for completing internal audits that address operational, compliance, financial, regulatory and data reporting associated with risk and quality management. This position will play an important role in assessing the efficiency and effectiveness of business process internal controls and providing recommendations for improvement. This position maintains a comprehensive risk management and quality management program including developing, monitoring, and evaluating risk, as well as assuring that all regulatory reporting requirements are met, including slot auditing and gaming license background checks. This position provides opportunities to conduct both mandated and risk-based audits, with potential to focus more on one area as assigned.

ESSENTIAL DUTIES, FUNCTIONS, & RESPONSIBILITIES

1. Conduct thorough internal audits across various departments, focusing on compliance with NIGC MICS, GAAP (Generally Accepted Accounting Principles), and other regulatory frameworks.
2. Evaluate the effectiveness of internal controls.
3. Perform risk assessments to pinpoint vulnerabilities in financial processes and develop mitigation strategies.
4. Review financial reports, journal entries, and general ledger transactions to ensure accuracy and integrity.

COMPLIANCE AUDITOR I

Position Description

5. Assist in external audits by providing detailed documentation, analysis, and support for auditors' inquiries.
6. Develop and implement audit plans, including testing procedures for internal controls related to gaming accounting, tax compliance, and financial reporting.
7. Utilize accounting software and financial analysis tools to streamline audit processes and enhance data accuracy.
8. Complete audits independently and in accordance with departmental and the Institute of Internal Audit (IIA) professional standards.
9. Analyze operational data and identify patterns, control gaps, deficiencies, anomalies, or risks that warrant further investigation.
10. Prepare timely and accurate documentation of audit findings to address overall condition, cause and effect.
11. Provide recommendations on the development or enhancement of internal controls based on audit findings.
12. Maintain confidentiality of audit information and results.
13. Participate in continuous risk assessment and audit planning activities by identifying emerging risks, or operational areas that may require review.
14. Complete special projects assigned by management.
15. Represent the Internal Audit department in a professional manner.
16. As an employee of the Bois Forte Reservation, will follow the Bois Forte Procurement Policy and any other applicable procurement requirements when obtaining goods and/or services for the Bois Forte Band of Chippewa.

WORK ENVIRONMENT

Work environment:	The work environment characteristics described here are representative to those an employee encounters while performing the primary functions of this job. Normal office conditions exist, and the noise level in the work environment can vary from low to moderate. Limited overnight travel may be required from time to time.
Physical demands:	The physical demands described here are representative of those that must be met by an employee to successfully perform the primary functions of this job. While performing the duties of this job, the employee may be required to frequently stand, walk, sit, bend, twist, talk, hear and perform repetitive motions. There may be prolonged periods of sitting, keyboarding, reading, as well as driving or riding in transport vehicles. The employee must occasionally lift and/or move up to 40 pounds. Specific vision abilities required by this job include reading, distance, computer, and color vision. Talking and hearing are essential to communicate with the community, visitors, employees, and vendors.
Mental demands:	There are several deadlines associated with this position. The employee must be able to handle frequent interruptions and must also multi-task and interact with a wider variety of people on various and, at times, complicated issues.

TRIBAL AND INDIAN PREFERENCE

The Bois Forte Band of Chippewa has implemented a Tribal and Indian Preference in Employment Policy. Pursuant to this Policy, applicants who possess the knowledge, skills, and abilities required by this position, and who are enrolled members of the Bois Forte Band of Chippewa Tribe will be given primary preference in hiring and employment for this position. Members of other federally recognized Indian tribes will be given secondary preference for hiring and employment after providing proof of tribal membership. Tribal and Indian preference is integrated into the interview and scoring process for candidates for job positions.
